VOICES FROM THE INDUSTRY

Achim Wiele | IRHT Institute for Cleaning & Hygiene Technology | Director

“ReinigungsMarkt has been our independent, competent partner and network for news, expert articles, and our seminar offerings for many years.”

Bernhard Hentrich | HEINRICHT GMBH – Commercial Cleaning | Founder

“ReinigungsMarkt is the most informative trade publication in the industry and an absolute must – the magazine is the mirror of service providers!”

Enrico Euteneuer | ROBOVOX | Head of Global Business Development

“Working with ReinigungsMarkt is not only marked by professionalism, but also by continuous personal exchange about the industry. This builds trust not only in the publisher, but also in the people behind ReinigungsMarkt.”

Stefan Hammel | HAREMA | Managing Owner

“ReinigungsMarkt and Harema GmbH have been working in partnership for three decades – we were one of the very first clients. Partnership creates connection.”

WHAT'S NEW – EVERYTHING THAT MATTERS.

At the beginning of 2025, three well-established trade media brands were transferred into a new future. With fresh energy, a clear vision, and the power of the BETTERTRUST Group, we are opening a new chapter.

THE ACQUISITION

ReinigungsMarkt, ErgonomieMarkt, and GebäudeReiniger are now part of BETTERTRUST. We preserve the voices of the industry instead of letting them fade.

THE MOTIVATION

Many trade publishers are struggling: succession issues, declining revenues. We see this as both a responsibility – and an opportunity.

THE VISION

Diversity, innovation and relevance instead of uniformity.
Print, online, social media, events – intelligently connected.

THE COMMITMENT

Trade media as platforms for visibility and connection.
BETTERTRUST as a driving force for communication and community.

WE GIVE THE INDUSTRY A STRONG VOICE – AND LEAD IT INTO THE NEXT ERA.

MAGAZINES JOIN BETTERTRUST PUBLISHING

The titles **ReinigungsMarkt**, **ErgonomieMarkt**, and **GebäudeReiniger** will relaunch in 2025 with new content, new formats, and a clear goal:

More relevance. More dialogue. More impact.

REINIGUNGSMARKT

The official publication of ISSA, BHUK and IKS – with 100% industry proximity.

ReinigungsMarkt is the leading platform for cleaning and hygiene. It combines well-founded industry insights with practical impulses and innovative digital formats – including a podcast series starting in 2025.

It is the official publication of ISSA (International Sanitary Supply Association, the world's largest cleaning industry association), BHUK (German Association for Hygiene and Hospital Cleaning), and IKS (Interest Group of Clinical Service Companies).

ERGONOMIEMARKT

The trade magazine for ergonomics, health and occupational safety.

ErgonomieMarkt covers all aspects of modern work – from prevention to productivity. Starting in 2025, digital dossiers and expert talks will expand the content with deep insights and practical knowledge.

It is the official publication of the ECN (Ergonomics Competence Network) and the Corporate Health Convention.

GEBÄUDEREINIGER

The training magazine of the industry – young, modern and future-oriented.

GebäudeReiniger supports the next generation of skilled workers in the cleaning trade. It connects training companies with young talent and introduces new impulses for visibility and recognition in the profession – including the newly launched JEZ Award.

2/1 + Bleed Width: 420 mm Height: 297 mm	2/1 Width: 392 mm Height: 257 mm	2/1 Width: 392 mm Height: 257 mm	2/1 Width: 392 mm Height: 257 mm	Cover Page + Bleed Width: 151 mm Height: 225 mm	Cover Page + Bleed Width: 151 mm Height: 225 mm	Cover Page + Bleed Width: 151 mm Height: 225 mm	Cover Page + Bleed Width: 151 mm Height: 225 mm

Please note that for text and images crossing the gutter, an additional 3 mm per page—beyond the 3 mm trim margin—is not fully legible due to perfect binding. Therefore, such elements must be designed with appropriate overlap.

The specified formats are final formats.
Advertisements with bleed require an additional 3 mm bleed on all sides.

BANNER ADVERTISING SPACE

The website www.reinigungsmarkt.de records 29,000 page impressions and 7,500 visitors per month (as of September 2024). All banners are linked to your homepage.

Bannergröße:	Per Month:
Skyscraper Banner: 160 px × 600 px	€2,130
Double Skyscraper Banner: 160 px × 600 px	€3,900
Full Banner: 1244 px × 250px	€2,000
Big Web Banner: 1244 px × 250 px	€1,880

NATIVE ADS

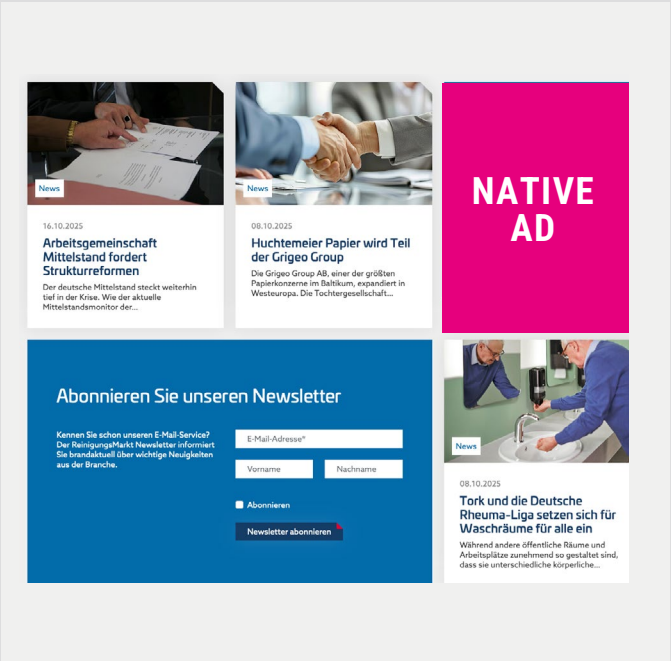

Native ads are editorially integrated advertisements that blend seamlessly in look and content with the environment of reinigungsmarkt.de.

They allow products, services or solutions to be presented within a credible editorial context, generating targeted attention among professional readers in the cleaning and hygiene industry. **The native ad is published on www.reinigungsmarkt.de and costs €2,580 per month (plus VAT).**

ADVOICES

Advoices give you the opportunity to showcase your company or a specific individual in the form of a text-based advertorial. The layout closely follows an editorial style and integrates almost seamlessly into the reading experience – without being immediately recognized as an advertisement.

Our advertorials, referred to as Advoices, are available for €5,300 plus VAT. In combination with a print ad, the total package is €9,500 plus VAT. This includes copywriting (up to 4,000 characters), two rounds of revisions, and either one image or one video.

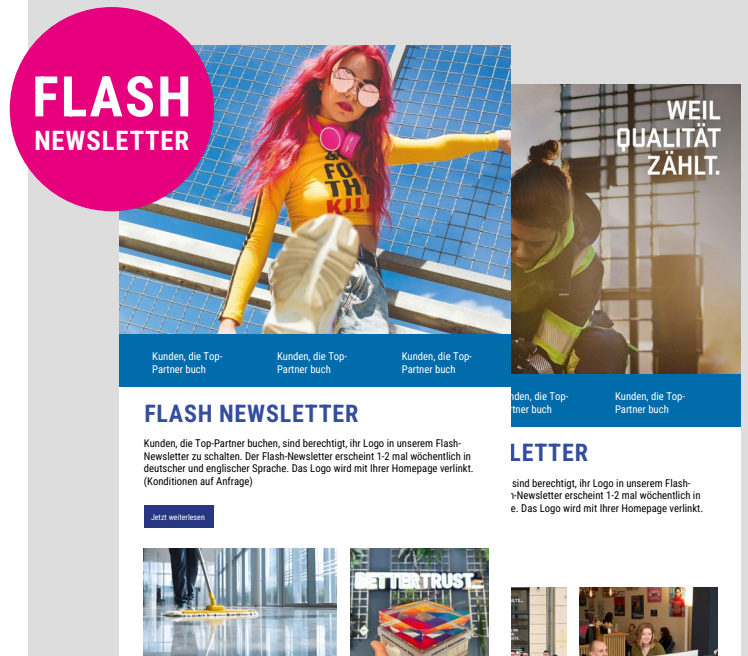

FLASH NEWSLETTER

Clients who book a Top Partner package are entitled to place their logo in our Flash Newsletter. The Flash Newsletter is sent out once or twice a week, in both German and English. The logo will be linked to your homepage. (Terms available upon request)

As of September 2024, the German Flash reaches 2,010 recipients, and the English Flash reaches 1,366 recipients, totaling 3,376 contacts.

The average open rate is approximately 60%, depending on the topic.

SEMINAR LISTINGS

The seminars are published in the seminar section of the magazine.

In addition, we list them on our website www.reinigungsmarkt.de in the seminar overview.

The price per seminar entry is €25.00 per month.

REACH MEETS RELEVANCE – YOUR MESSAGE DELIVERED WITH PRECISION ACROSS ALL CHANNELS.

SPECIAL INSERTION OPPORTUNITIES

Top Partner Campaign – Issue 1/2026

CONCEPT

Under the motto “Top Partner”, we offer you the opportunity to present the full spectrum of your products and solutions across one or two pages in our January/February issue. Use this promotion to position your company as a strong industry partner among our 15,000 ReinigungsMarkt readers. Your article will also be published for one year on our website www.reinigungsmarkt.de.

The website records approx. 39,500 page impressions/month (as of October 2024), which amounts to 474,000 page impressions annually.

HOW IT WORKS:

You provide us with:

- a written summary of your company, including its philosophy and product portfolio
- a print-ready (repro-quality) version of your company logo, along with a small selection of photos (products, people, facilities, etc.).
- our editorial and layout professionals will then design the promotional page(s) in close coordination with you
- a single promotion page costs €3,700, and a double-page spread €7,400. (All prices excl. VAT, non-discountable)

Clients booking a Top Partner package are entitled to place their logo in our Flash Newsletter, sent 1–2 times per week in German and English.

The logo will be linked to your homepage. (Terms on request)

Ad Performance Test – Issue 6/2026

CONCEPT

This test shows how your ad is perceived by readers and how you may improve its impact. Readers evaluate the ads (minimum size: half page) in the Ad Performance Test using a questionnaire enclosed with the issue.

As a further incentive, participating readers receive a small gift.

EVALUATION CRITERIA:

For each ad (minimum size: 1/2 page), the following criteria are assessed:

- Attention value
- Likeability
- Information quality
- Level of activation

BENEFITS FOR ADVERTISERS:

- Above-average visibility for your ad
- Longer reader engagement time
- Insight into how your ad is perceived (also compared to competitor ads)
- Individual evaluation report
- Free service for advertisers
- Test execution, evaluation, and documentation included in the ad price
- Top-rated ads are awarded a certificate

Sustainability Campaign in the Cleaning Industry – Issue 8/2026

CONCEPT

In our special section “Sustainability in the Cleaning Industry”, featured in the October issue (8/2026), we offer you the opportunity to highlight the role of sustainability in your company – whether through a half, full, or double-page feature. You can present sustainable products, your company’s environmental strategy, or your overall contribution to a greener future.

Your feature will be published to 14,000 ReinigungsMarkt readers and remain online for one year on www.reinigungsmarkt.de. The website currently sees approx. 39,500 page impressions per month (as of October 2024), resulting in around 474,000 page impressions per year.

HOW IT WORKS:

You provide us with:

- a written brief about your company, its philosophy, and product range
- a print-ready (repro-capable) version of your company logo
- a small selection of images (individual products, full product range, production site, or similar)

Our text and layout professionals will design the promotional page(s) in close coordination with you. A single promotion page costs €3,700, and a double page €7,400. (All prices plus VAT, not eligible for discounts.)

ReinigungsMarkt Direkt – Issue 10/2026

CONCEPT

This issue serves as the foundation for creating an online product database, which will be structured based on the advertisers featured in this edition. Each advertiser (starting from a 1/4-page format) provides, in addition to the print-ready ad file, a product description (approx. 700 characters including spaces) and a color image (300 dpi resolution). Our editorial team will create a product feature based on this material, which will be published in this issue and, as of the publication date (December 10), also included in our newly created product database on www.reinigungsmarkt.de. Your web address will be displayed with the product feature, and a direct link to your homepage will be set up automatically. The product feature and link will remain online for 12 months.

BENEFITS FOR ADVERTISERS:

- you reach 14,000 qualified readers with your advertisement.
- in addition, you receive a product feature including a 4-color image.
- this product feature will be published online and includes a direct link to your homepage.
- our website www.reinigungsmarkt.de currently records approx. 39,500 page impressions per month (October 2024), which means around 474,000 additional contacts for you, as your product feature remains online for one year.

INTERCLEAN AMSTERDAM 2026

Special Edition in English for the InterClean Trade Fair, Amsterdam:

Print run: 4,000 copies

Print files must include a 3 mm bleed on all sides

TRADE FAIR PLANNER

Want greater visibility at Interclean Amsterdam 2026?

Use the Trade Fair Planner for targeted exposure to a professional audience.

+ Information on the trade fair's supporting program

+ Hall and venue maps

+ Alphabetical exhibitor directory

The Trade Fair Planner for Interclean will be included as an insert in issue 7 of the trade fair edition.

Print Run: 14,000 copies

Publication Date: April 2, 2026

Formats:

Titelseite	108 x 163 mm Portrait
1/1 Page (within print area)	130 x 190 mm Portrait
1/1 Page (with bleed)	148 x 210 mm Portrait
1/2 Page (within print area)	130 x 95 mm Landscape
1/2 Page (with bleed)	148 x 105 mm Landscape

The ad deadline is March 12, 2026.

All formats require a 3 mm bleed on all sides.
When booking an ad in the Trade Fair Planner,
your logo will be included in the hall plan at no
extra cost.

The pricing for the Trade Fair Planner is based on the German edition of ReinigungsMarkt.

SCOPE OF SERVICES

BETTERTRUST is an international communications agency that helps brands and individuals appear visible, relevant, and trustworthy. Through strategic consulting and creative concepts, the agency ensures that clients are featured in the right media, strengthen their reputation, and are perceived as thought leaders.

This turns communication into a growth driver that builds relationships and ensures sustainable success.
